Big Brothers Big Sisters Victoria is bringing their In-School Mentoring Program to Salt Spring Island. This is a fantastic social/recreational, one on one program which enhances self-esteem, social skills and confidence in our kids.

We are currently looking for positive role models to spend just one hour a week with elementary students from now until the end of the school year. Big's will meet at the school, during school hours, to participate in activities such as sports, arts & crafts, and games and have fun with their Little. No special skills needed, just a friendly, happy disposition and a desire to share with a child in your community.

Being a Big Brother or Sister is a rewarding experience that creates a sense of satisfaction that can only come from making a difference in the lives of others. Time invested in youth is always time well spent!

We currently have students waiting and therefore, we need Mentors now! Thanks for your consideration.

Please inquire today!

NEEDED NOW:
Caring adults who are available to spend ***1 hour per week*** mentoring a child at Salt Spring Elementary. No experience necessary. Could this be you?
